Steam 15 g/min

60 g steam boost
Non-stick soleplate
Calc-clean

GC1425/40

Iron 30% faster with steam*

There's so much more to life than household chores, so you want to get them done as fast as possible. With continous steam, non-stick coating and a built-in water spray, this iron is designed to remove wrinkles from garments quickly.

Longer lifetime

- Calc-clean for extending iron's life for years

Easy to use

- Comfortable handle and stable heel rest for extra stability
- Integrated water spray for making ironing easier
- Large filling door for preventing water spilling
- Large temperature control dial for different kind of fabrics
- Triple precision tip for optimal control and visibility

Fast crease removal

- Non-stick soleplate coating
- Power up to 1400 W enabling constant high steam output
- Continuous steam up to 15 g/min for fast crease removal
- Steam boost up to 60 g

PHILIPS

Steam iron
Steam 15 g/min 60 g steam boost, Non-stick soleplate, Calc-clean

GC1425/40

Highlights

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Power up to 1400 W

Power up to 1400 W enabling constant high steam output.

Calc-clean

Calc-clean for extending iron's life for years

Comfortable handle and stable

Comfortable handle and stable heel rest for extra stability

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Large filling door

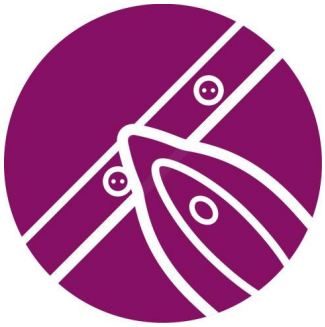

Large filling door to prevent accidental water spilling.

Temperature control dial

The large temperature control dial lets you easily adjust to the right ironing temperature for each kind of fabric, so you can achieve your desired results safely.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Continuous steam up to 15 g/m

Continuous steam up to 15 g/min for fast crease removal.
