# Highlights

### Self-sharpening blades

Get a perfect trim, time after time. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 3 years of use.

### 9 tools for face & hair

This all-in-one trimmer conveniently trims and styles your facial hair and clips your hair.

### Metal trimmer

Use the metal trimmer without a comb to get clean, sharp lines around your beard, neck and hairline. The trimmer's shelf-sharpening blades remain as sharp as day 1, even after 3 years of use.

### Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

### Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

### 6 Impact-resistant combs

2 stubble combs (1,2 mm) , 1 adjustable beard comb (3-7 mm) and 3 hair combs (9,12,16 mm).

### Up to 70 minute run time

Get up to 70 minutes of cordless use for every 16-hour charge.

### Rinseable attachments

Simply detach and rinse the blades and combs under the tap to thoroughly clean them.

### Storage pouch

Use the convenient pouch for storage or travel. It holds and protects your trimmer and all its tools when you're on the go.

### Guarantee

3 year world-wide guarantee

We back this Philips trimmer with a 3-year guarantee. Our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer's parts never need to be oiled, and its battery is compatible with all voltages, worldwide.
