- Dedicated to DreamStation: Travel case holds mask, power supply, headgear, tubing and device.

Highlights

Compact and easy to use

A molded insert liner helps the patient thoroughly pack the PAP system components: mask and tubing, 65W power supply, DreamStation WITHOUT humidifier.

Easy to care and sturdy

Lightweight, hard-fabric case. Removable shoulder strap + trolley back strap to easily slide onto luggage handles. Secure zippered closures help facilitate airport screening; and the travel case easily fits in airplane overhead bins and under airline seats.
