- With drip stop to keep counters clean
- Bursting with recipes, tips and inspiration

*Internal tests on 1000 g each of grapes, apple, blackberry, strawberry, tomato, watermelon, orange and pomegranate.

Highlights

Compact storage

Dishwasher-safe parts

Thanks to our unique design, you can quickly assemble and start using your new masticating juicer. It's also easy to take apart and quick to clean. All detachable parts can be safely cleaned in your dishwasher, which makes it even easier to clean up after your daily juice session.

Masticating technology

Release nutritional goodness from fruits and vegetables with up to 80% extraction*. A great slow juicer for leafy greens.

Clean up in 90 seconds

With QuickClean technology – including our easy-to-clean micro-sieve. All parts are easy to remove and rinse.

Modern design

XL feeding tube

Save time and start juicing faster. You no longer need to cut up most fruit and vegetables to fit this juice machine. Just pop it all into the 70 mm XL feeding tube, and enjoy a boost of nutrition every day.

Stop those drips

Your kitchen counter will stay nice and clean thanks to our integrated drip stop.

HomeID app

Download HomeID to discover fresh ideas and tips for getting the best out of your juicer. Making healthy food choices has never tasted so good, with simple but flavourful twists on all kinds of family favourites. From refreshing fruit and veggie juices to homemade almond milk, HomeID has recipes you'll love.
