ERU1101FOW Freezer

Freezer providing instantly frozen goodness

The FastFreeze function freezes fresh foods faster so vitamins, texture, flavour and all healthy qualities are preserved better. That means this freezer assures you will get the most of your groceries.

With this freezer, your food is stored at the right temperature

There's no need to worry about the temperature of your upright freezer rising, as the TempAlert will let you know if it happens with a warning light and alarm.

Make your frozen food much more accessible

These drawers have clear fronts, so you can quickly look for a specific item. And when you need to move the drawer to a different place, it has ergonomic carry handles.
