- IP44, perfectly suited for your bathroom

Full control from a smart device with the Hue bridge

- Full control from a smart device with the Hue bridge

Issue date: 2026-02-07 Version: 0.297

Highlights

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

Easy and wireless control

With the ready-to-use wireless Philips Hue Dimmer switch, you can brighten and dim your lights without a wired-in installation.

Energise

Skip your morning coffee and get ready for the day with cool white daylight that helps to energise your body and mind. Perfect for those moments when you need that extra kick with your morning shower.

Concentrate

Early morning hours call for precision and concentration. With finely tuned bright white light you can go through your morning rituals with ease, whether it is to give your make-up that perfect finish or groom your beard neatly.

Read

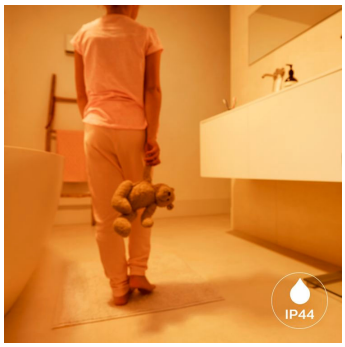

Use bath time to pick up your favourite magazine. Set the right white light for a perfect read.

Relax

Immerse yourself in your bubble bath and recline to the soft glow of white light. Relaxing white light will help you to unwind in the evening and sleep better at night.

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

Full control with the Hue bridge

Connect your Philips Hue lights with the bridge to unlock the endless possibilites of the system.
