- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Special characteristics

- Dimmable

Designed for your bathroom

- IP44, perfectly suited for your bathroom
- True skin colour with high-quality light

Highlights

High quality LED light

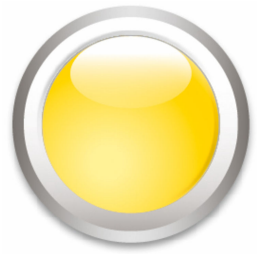

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

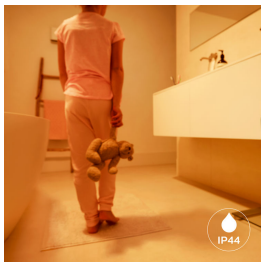

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included). This allows you easily to adapt the light to match your specific needs in the bathroom.

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

Specifications

Design and finishing
- Colour: chrome
- Material: metal

Miscellaneous
- Especially designed for: Bathroom, Living Room and Bedroom
- Style: Contemporary
- Type: Spot light
- EyeComfort: Yes

Power consumption
- Energy efficiency label (EEL): Built in LED

Product dimensions and weight
- Height: 12.2 cm
- Length: 36.6 cm
- Net weight: 0.900 kg
- Width: 6.7 cm

Service
- Warranty: 2 year(s)

Technical specifications
- Lifetime up to: 30,000 h
- Light source equivalent to traditional bulb of: 35 W
- Total lumen output fixture: 1000 lm
- Bulb technology: LED, Safety Extra Low Voltage
- Light colour: warm white
- Mains power: 50-60 Hz
- Fixture dimmable: Yes
- LED: Yes
- Built-in LED: Yes
- Energy class included light source: Built-in LED
- Number of bulbs: 2
- Wattage bulb included: 4.5 W
- IP code: IP44
- Class of protection: II - double insulated
- Light source replaceable: No

Packaging dimensions and weight
- EAN/UPC - product: 8718696162842
- Net weight: 0.900 kg
- Gross weight: 1.200 kg
- Height: 412.000 mm
- Length: 111.000 mm
- Width: 156.000 mm
- Material number (12NC): 915005492501

Issue date: 2020-12-14
Version: 0.716
