Iron faster with 2 x more steam*

- Powerful steam for ultimate crease removal
- Automatic shut-off when the iron is left unattended
- Ceramic soleplate for durability and easy gliding
- Large tank for long use
- Calc-clean container included with your steam generator iron
- Lightweight and compact for easy use and storage
- Carry lock for safe and easy transport

*Compared to Philips steam iron PowerLife

Highlights

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Auto shut-off

The automatic shut-off function automatically switches off your steam generator iron if it has not been used for a few minutes. This saves energy and gives you peace of mind.

Ceramic soleplate

Our durable ceramic soleplate glides well on all garments. It is non-stick, scratch-resistant and simple to keep clean.

1.3 L water tank

A 1.3 litre transparent tank gives you more than 1 hour of continuous use. See clearly how much water is left and refill easily at any time under the tap through the large filling door.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Specifications

Technology

ProVelocity steam engine: Yes

Easy to use

Tap water suitable: Yes
Refill at any time during use: Yes
Ready to use: Light indicator, Sound indicator
Soleplate name: Ceramic
Safety auto off: Yes
Hose length: 1.6 m
Power cord length: 1.65 m
Soleplate scratch resistance: 3 stars
Soleplate gliding performance: 3 stars
Water tank capacity: 1300 ml

Scale management

Descaling reminder: Light, Sound, no cartridges needed, no extra
Descaling and cleaning: Smart Calc Clean
