Highlights

CoffeeSwitch

Finally the taste of filter coffee from a full automatic espresso machine! Enjoy your morning coffee or your strong espresso by simply pulling the lever. The unique CoffeeSwitch allows you to choose the perfect type of coffee for any moment or mood, from freshly ground beans.

100% ceramic grinders

Ceramic material ensures long-lasting performance and silent operation while not deteriorating. This means you coffee will be always ground like the first time, delivering the best of your beans for more than 15.000 cups.

6 beverages

Enjoy a wide variety of drinks to suit any occasion. Whether you crave for an espresso, a cofffee or a milk based recipe, your Super-automatic machine delivers a perfect in-cup result with no hassle and in no time!

Adjustable coffee spout

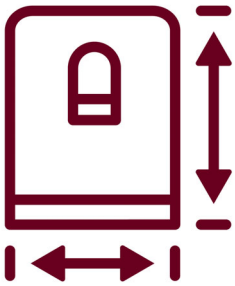

The adjustable spout on our espresso machines will fit every cup and thus prevents the coffee splashing or cooling down while pouring in your cup. This way your espresso is always served at the right temperature while maintaining a clean machine.

Customize your coffees

This Super-Automatic machine offers an abundance of indulgent options to customize your beverage to your taste. You can easily personalize and memorize length, strength and temperature for each drink. Feel free to explore, experiment and dream up any drink!

High capacity & compact design

Enjoy more room and go longer without refill thanks to the high-capacity bean, water, and waste containers in a super-compact design. This smart, super-automatic machine provides you with maximum convenience and top notch performance thanks to a large capacity water tank, bean and waste container.
