PHILIPS

Kettle
1.7 liter 2200 W, Brushed metal

HD9321/26

Highlights

Cordless 360° pirouette base
Cordless 360° pirouette base for easy lifting and placing.

Spring lid
Spring lid with large opening for easy filling and cleaning, also avoiding steam contact.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Easy lid and spout filling
The kettle can be filled via the spout or by opening the hinged lid.

Pilot light
Elegant light incorporated in the on/off switch indicates when the kettle is on.

Flat heating element
The stainless steel concealed element ensures fast boiling and easy cleaning.

Robust metal kettle

Robust metal kettle with brushed stainless steel body is made to have a long lifetime.

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready or when lifted from the base.

Water level indicator
Easy to read water level indicator

Micro-mesh filter

The removable micro-mesh filter on the spout restrains all scale particles with size > 200 micron and ensures that the water you put into your cup is clean.
