Smart cable management

The smart cable management system cleverly hides the wires from sight. Intelligently designed concealed sockets and an internal cable guide ensure everything is clutter free and neatly tucked away.

100-name phone book

Always have the phone numbers of your loved ones available: Save up to 100 favorite contacts in your phonebook.

Handset speakerphone

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.
