PHILIPS

Dryer & Straightener
Promotional Pack Limited edition

HP8299/01

Highlights

210°C professional high heat

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

6 heat/speed settings

Dryer: 6 heat/speed setting for full flexibility

Ceramic plates

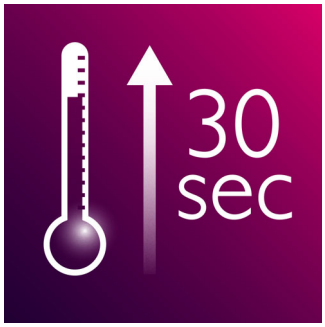

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The ceramic plates are carefully processed to enhance the gliding and caring properties, giving you perfect shiny hair.

Extra wide plates

These extra wide straightening plates have been designed espacially for thick or long hair. The increased plate width can straighten more hair in one go and will help achieve the results you wanted in less time.

Fast heat-up time

Straightener: Fast heat-up time, ready to use in 30 seconds

Ionic Care

Give your hair an instant care with ionic conditoning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is smooth and frizz-free hair that shines beautifully.
