Philips Avance Collection
Electric Pressure Cooker

Smart pressure regulator

5 liter
900 W

HD2171/50

Smart cooking, great taste

Enjoy authentic, healthy food fast

The all-new Philips electric pressure cooker uses silent turbo pressure release technology, so there's no need to discharge the pressure manually or wait for the pressure to drop naturally as the cooker cools.

Turbo pressure release retains nutrients
- Reduced pressure release time, open lid right after cooking
- No steam released when cooking, retains flavor and nutrition

Smart cooking technology
- Sets suitable pressures for different foods
- Unique baking programs to meet all your everyday needs
- 8 cooking programs to help you create easy home-cooked food

Safe cooking
- 18x safety protection system for worry-free cooking
- Materials in contact with food comply with EU standards

User-friendly design. Easy to operate
- Easy to clean, stands conveniently
- Touch sensitive control panel

PHILIPS

Electric Pressure Cooker
Smart pressure regulator 5 liter, 900 W

HD2171/50

Highlights

Reduced pressure release time

The cooker uses silent turbo pressure release technology, so there's no need to discharge the pressure manually or wait for the pressure to drop naturally as the cooker cools. The lid can be opened as soon as cooking is finished, giving you great food without the wait! It's so quick and easy!

No steam released when cooking

No steam released when cooking, ensuring that food retains its original flavor and nutrition.

Smart pressure settings

The smart system allows suitable pressure values to be set for different foods, so everything you cook tastes its best. Even kitchen novices can cook up great tasting food!

18x protection system

18x safety protection system for worry-free cooking

Complies with EU standards

Materials in contact with food comply with EU standards

Removable, stand-up lid

The aluminum lid can be detached, washed, and then conveniently placed upright to dry, saving kitchen space.

Touch sensitive control panel

Touch sensitive control panel

8 cooking programs

8 cooking programs to help you create easy home-cooked food

Unique baking programs

Unique baking programs to meet different cooking needs.
