Highlights

12 auto-cooking settings
It has 12 varieties of cooking menu including rice, porridge, chicken, duck, lamb, beef, beans, pork tendons, soup, steamed egg, roasted ribs and crabs.

Double safety
Device with 8 safety protections to double safety.

Easy-to-clean

Easy-to-clean detachable inner lid design.

Easy-to-program timer
Easy-to-program timer. When the Intelligent Multi-function cooker starts to keep pressure, the timer begins to count down. When the time is up, the Intelligent Multi-function cooker switches to keep-warm automatically.

Golden non-stick inner pot
Golden non-stick inner pot, easy to clean.

Great heat insulation
Heat protective lid design to ensure great heat insulation.

Keep warm function
Use the keep warm function to keep rice or dishes warm for a longer period of time, without losing food nutrition and taste. When the cooking process is finished, the rice cooker automatically switches to the keep warm mode.

Safe and no worries
Safe and no worries
