Highlights

1500W caring dryer power

This 1500W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

EHD+ technology

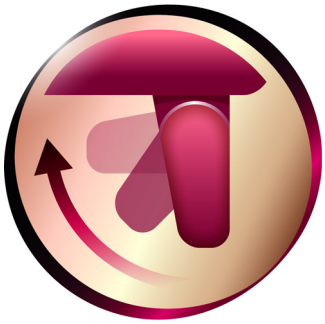

Advanced Philips EHD+ technology means that your dryer will always distribute the heat very evenly - even at high temperatures, and prevents damaging hot spots. This gives added protection and thus helps to keep your hair healthy and shiny.

6 flexible settings

6 flexible speed and temperature settings to suit your hairtype

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hair dryer that will easily pack into the smallest spaces and you can take virtually anywhere.

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Coolshot

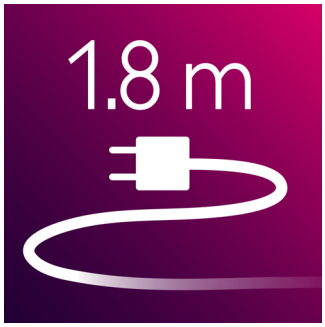

Coolshot for seal in shine and fix your style

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.
