## Super Mini Bluetooth 3.0 keyboard

## Not to underestimate

Despite its compactness, the keyboard has most function of a conventional keyboard. Our KSK-3025BT is especially easy to connect via Bluetooth. The LEDs tell you the status of your connection to an Android, iOS or Windows device.

## All in one

The keyboard comes supplied with a stand for tablets or smartphones so that it can be used comfortably in combination with a tablet in any position on your table.

## Keyboard to go

Thanks to the folding mechanism, the KSK-3025BT can be stowed very space-saving. It easily finds space in each pocket and is always only one fold away from the next session. The ingenious mechanism allows the keyboard to be swiftly unfolded and the integrated magnet ensures good cohesion when folded.
