Highlights

V-Track blade system PRO

Get the prefect close shave. The V-Track Precision PRO Blades gently positions each hair in the best cutting position, from 1 day up to 3 day beard and even the flat laying and different length of hairs. Cuts 30% closer* in less strokes leaving your skin in great condition.

8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

SmartClean System PLUS

At the touch of a button SmartClean PLUS cleans, lubricates, dries and charges your shaver, so it'll perform at its best every day.

SmartClick beard styler

Change your look with the SmartClick Beard Styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

50 minutes of cordless shaving

Our advanced charging system gives you two convenient options: charge for one hour and you'll get 50 minutes of running time, or do a quick charge for one full shave. All 9000 Series Shavers contain a powerful energy-efficient, long-lasting lithium-ion battery. They are designed to operate only in cordless mode, to ensure you'll always be safe when shaving with water, even under the shower.

3 level LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level battery and travel lock indicators - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.
