Philips PerfectCare
Performer
Steam generator iron

Max 6.2 bar pressure

Up to 350 g steam boost
1.8 L water tank capacity
Detachable water tank

GC8717/20

Ultra-fast ironing

with powerful continuous steam

Philips PerfectCare Performer steam generator iron ensures a true simple, powerful, and no burn ironing experience. The powerful continuous steam pentrates deeply and continusely into the fibre to remove creasely easily.

No temperature setting needed, guaranteed no burn

- Iron jeans to silk, no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board
- Tested and approved by independent textile experts

Fast ironing with continuous powerful steam

- Powerful steam for ultimate crease removal
- Integrated easy clean system for long-lasting performance
- Philips best gliding with increased scratch resistance
- Save energy with ECO mode

Extra convenience

- Lightweight steam generator for easier handling
- Large detachable water tank for easy refilling
- Safe and secure carry lock

PHILIPS

Steam generator iron

Max 6.2 bar pressure Up to 350 g steam boost, 1.8 L water tank capacity, Detachable water tank

GC8717/20

Highlights

1.8 L detachable water tank

The detachable water tank allows you to easily refill anytime without stopping the appliance. It has a large filling hole so you can simply fill the water tank under the tap. It has a 1.8 L capacity, so you get the convenience of up to 2 hours of continuous use, with no need to top-up the tank.

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron fabrics from jeans to silk, with guaranteed no burns thanks to the perfect combination of temperature and continuous powerful steam.

Safe rest

Innovative OptimalTEMP technology guarantees no burn on all ironable fabrics. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often

Lightweight steam generator

Thanks to revolutionary ProVelocity technology, we've been able to make a powerful steam generator iron that is much lighter than traditional models. This means it's more stable positioned on your ironing board and carrying it around is made much easier.

Safe carry lock

Your steam generator iron includes a safe carry lock which securely fastens your iron to its base without the risk of slipping or someone touching the hot soleplate. It ensures safe and easy transportation around the house, to and from storage.

Smart Calc clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected, your steam generator will beep once it's done and ready to use again.

Specifications

Technology
- For all ironable fabrics
- No burn
- OptimalTEMP Technology
- ProVelocity steam engine
- Smart Control Processor

Fast crease removal
- Continuous steam: Up to 120 g/min
- Power: 2600 W
- Pressure: Max 6.2 bar pump
- Ready to use: 2 min
- Steam boost: Up to 350 g
- Steam-on-demand
- Variable steam levels
- Vertical steam

Easy to use
- Safe on all fabrics: Even delicates like silk
- Soleplate gliding performance: 5 stars
- Soleplate name: SteamGlide Plus
- Detachable water tank
- Hose length: 1.6 m
- Power cord length: 1.8 m
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Refill any time during use
- Soleplate scratch resistance: 4 stars

Scale management
- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound, Yes

Storage
- Carry lock: For transportation and safety
- Cord storage: Velcro fix, Yes
- Hose storage: Hose storage compartment

Size and weight
- Packaging dimensions (WxHxL): 24.6 x 33.5 x 44.9 cm
- Product dimensions (WxHxL): 22 x 24 x 37 cm
- Weight of iron: 1.22 kg
- Weight of iron + base: 3.2 kg

Guarantee
- 2 year worldwide guarantee

Green efficiency
- Energy saving mode
- Product packaging: 100% recycable
- User manual: 100% recycled paper
