Highlights

Fresh pasta in minutes
We've made it easier to make homemade pasta. Now, with the fully automatic Philips Pasta Maker, you can make fresh pasta and noodles much more often. Because your new pasta maker does all the hard work for you.

Fully automatic

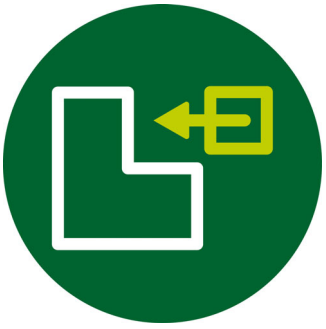

The Philips Viva Pasta & Noodle Maker can not only enables a fast and automatic mixing, kneading and extruding. It also guarantees good texture and taste of the pasta and noodles.

Uniquely designed stirring bar
Featured with angled multi-pins, the stirring bar ensures the flour and liquid is mixed evenly and thoroughly from every corner in the mixing chamber.

Long kneading tube
The long kneading tube guarantees optimal an kneading process, resulting in perfect and bouncy dough.

Easy operation and cleaning

The detachable components of the Philips Viva Pasta & Noodle Maker can be easily installed, dismantled and cleaned.

Smart storage

It has smart built-in storage for shaping discs and power cord so that you can alway keep your kitchen tidy and neat.

Personalized flavor
By using differnt flour e.g. whole wheat, durum, spelt, you can make your favorite pasta healthier. You can also add extra flavor by using various vegetable juices for instance carrot, beet and spinach.

3 shaping discs

To create your favorite pasta shapes, simply attach one of the pasta shaping discs to the pasta maker. With the machine there are 3 default classic shaping discs for Spaghetti, Penne and Fettuccini .

Inspiring recipe book

Accompanying the machine there is a recipe book created by culinary experts, giving inspiration for fresh homemade and delicious pasta and noodles.

Compact and modern design

It has seamless and compact design. You can always keep it on the coutertop or store in the cabinet without occupying a lot space.
