

Philips
IconiQ shaver

Premium gift

Wireless charging
Retro style
V-Track Precision Blades

S8870/62

Engineered from aluminum, individually brushed

Iconic craftsmanship, made contemporary

Welcome to the point where luxury fuses with technology. Where vintage meets modern. Where style and performance are soldered together. Each one tooled from a block of aluminum then individually brush-finished, so that no two are alike.

Retro Style

- A traditional mechanic rotary switch

Modern life

- Can be charged on any Qi-compliant wireless charger
- Charging Qi-enabled smartphone* wirelessly
- Get a comfortable dry or refreshing wet shave with Aquatec
- 100% full body washable

Best shaving performance

- Cuts 30% closer in less strokes
- 8X-direction flex heads
- More effective at cleaning your face than hand washing alone
- Super Lift & Cut Action

PHILIPS

IconiQ shaver
Premium gift Wireless charging, Retro style, V-Track Precision Blades

S8870/62

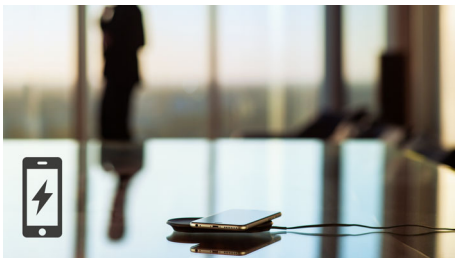

Highlights

Wireless charging

Qi Wireless charge has been integrated within the shaver.

Also charges smartphones*

Our innovative wireless charging pad supports not only your shaver but also your smartphone*.

V-Track Precision Blades

The V-track Precision Blades gentaly positions each hair in the best cutting position, even the flat laying and idfferent length of hairs. Cuts 30% closer in the less strokes leaving your skin in great condition.

Contour Detect Technology

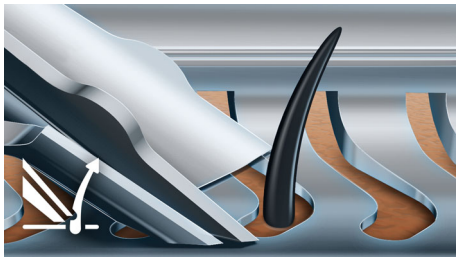

The new fully flexible 8X directional heads maximize facial adaptability requiring less effort in every stroke. Its independent movements allow to catch 20% more hairs for a clean shave in less strokes.

SmartClick cleansing brush

More effective at cleaning your face than hand washing alone*. Removes dead skin cells and increases micro-circulation to leave your skin feeling less oily,clean, fresh and radiant.

Super Lift & Cut Action

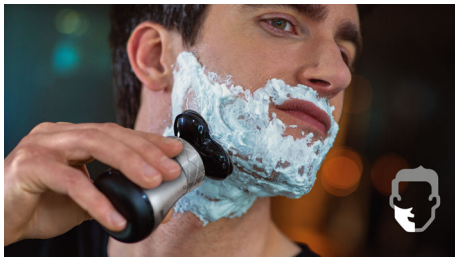

The dual blade system built into the Philips electric shaver lifts hairs to cut comfortably below skin level for a closer shave.

Washable

100% waterproof.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick dry shave or a more comfortable wet shave with gel or foam – even under the shower.

* For compatibility, look for the Qi logo (as picture below left) on supported devices. The Qi logo may be printed on the device, package or on the user manual. Devices with the Qi logo will be interoperable. The charge pad may not always work 100% on devices or accessories without the Qi logo.
* There are 3rd party vendors that sell Qi certified smartphone sleeves. They may carry the Qi logo will be guaranteed to work with the charge pad. There are many wireless charging accessories that are unlicensed and not tested. These will not carry the Qi logo and may not work with the charge pad.
* The charge pad may charge slower than a wired charger. That is due to the limitation of the bundled power adapter.
