Bright LED lighting with excellent light quality

Create a cool, energizing ambiance

Philips LED light bulbs provide a cool white light, an exceptionally long life, and immediate, significant energy savings. With a pure and elegant design, this bulb is the perfect replacement for your matted traditional bulbs.

Benefits

High color rendering [CRI>80]

- High color rendering (CRI > 80) for vivid colors

Instant warm atmosphere

- Instant light when switched on

Pure and elegant design

- Perfect fit and high quality finishing

Save on energy

- Saves up to 80% energy

Features

Beautiful, switched on an off

Familiar shapes are a perfect fit for your fixtures: we have retained the shapes and appearance of the classic light bulb.

PHILIPS

LED

High color rendering (CRI>80)

The color rendering index (CRI) is used to describe the effect of a light source on color appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colors truly and naturally.

Saves up to 80% energy

Save up to 80% energy compared to your standard bulb. It pays for itself and saves you money year after year. So reduce your energy bill and start saving Now.

Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

Specifications
