Highlights

Better, gentle cleansing

Thanks to the rotation technology and the 32,000 silky soft bristles of the sensitive cleansing brush you get better cleansing results for your sensitive skin with a recommended 60 seconds cleansing program!

Gentle to your skin

VisaPure mini facial cleanser is tough on impurities, but gentle to your sensitive skin. The sensitive cleansing brush cleanses the skin in a gentle way, for soft and radiant skin. The 32,000 ultra-thin bristles are designed for a gentle cleansing experience.Thanks to its silky soft, thin and dense bristles, it ensures a smooth glide while cleansing for absolute skin comfort. VisaPure mini facial cleanser is gentle enough to use twice a day.

Increases absorption of creams

Cleansing with this device means that you remove more make up residue , dead skin cells and dullness. Thanks to the deep cleansing effect, your favorite skincare products like creams, serums and essences are better absorbed by the skin.

Rotation technology

The rotating motion quickly but gently removes these impurities by sweeping them away, leaving the skin more deeply cleansed.

100% waterproof

This device is 100% waterproof and can be easily used in the shower and cleaned under the tap.

Rechargeable

When fully charged, this device has cordless power for 20 uses, equivalent to 10 days when used twice per day.

1 minute cleansing program

With the 1 minute recommended cleansing program for effective and superior cleansing, VisaPure mini facial cleanser easily fits in your routine and makes it better!

Compact for your convenience

With its compact and lightweight design VisaPure mini facial cleanser easily fits in your handbag or bathroom shelf. It's the perfect mini cleanser for your daily skincare routine wherever you are.

Compatible with all brushes

This device is compatible with all Philips brushes, which are designed to fit your individual skin type and needs.
