My sip n click cup

12oz/340ml
12m+
2-pack

SCF555/25

Snap-top lid keeps spout clean on the go

Sippy cup with soft spout for easy drinking

This BPA-free cup features a snap-top lid for hygienic drinking and leak-free transport. The leak-proof technology in the soft silicone spout means liquid only comes out when pressure is applied to it, ensuring mess-free drinking.

Leak-proof technology
- Built in valve for spill free drinking
- Snap-top lid keeps spout clean

Easy to drink
- Soft silicone spout for easy drinking
- Slim shape for steady grip

Easy to clean
- One piece silicone spout for easy assembly

Other benefits
- This sippy cup is made from BPA free material
- Compatible with the Philips Avent range

Highlights

BPA free
This sippy cup is made from BPA free material

Leak-proof technology

The silicone spout features a valve which blocks liquid from flowing out, unless the spout is being activated.

Slim shape
Slim container shape for steady grip and easy storage

Snap-top lid

Snap-top lid keeps spout clean and ensures no leaking, especially while on the go.

Easy drinking

The one-piece silicone spout is easy to drink from: liquid starts flowing when pressure is applied to the spout.

One piece spout
The valve is built into the spout, ensuring assembly is fast and hassle free.

Compatibility across the range
Compatible with Philips Avent My Easy Sippy spouts, Classic+ nipples, and with most bottles and cups.
