

19" Corner Wallmount Cabinet

6U, Assembled, 430 mm (16.93 in.) Depth, Black

Part No.: 714624

Intellinet wallmount cabinets offer a flexible and comprehensive solution for your network installations. Our service starts with the shipping condition — get the completely assembled cabinet delivered or save space and money with the flat-pack version. In terms of housing, choose from among the ultra-compact 10? cabinets and numerous 19? versions with installation depths that range from 300 to 600 mm; heights range from 6 to 20 rack units in black (RAL9005) or (RAL7021) & gray (RAL7035). We offer a solution for every need.

Various options include removable side panels (some lockable), tempered/toughened glass doors and double-section construction, making cabling and component exchange simple.

In material and workmanship, we provide top quality. Part of that is a cold-rolled steel frame, zinc-plated 19? mounting rails and antistatic powder coating on all panels.

Features:

- Ideal for 19" rackmount applications
- Space-saving design for corner wall mounting
- Maximum static load of 60 kg
- Tempered-glass door can be opened more than 180°
- Cable entry via top or bottom panel
- Cold-rolled, galvanized SPCC steel with up to 1.2 mm thickness
- Antistatic powder coating on all panels
- Reversible front door
- Ships assembled
- Three-Year Warranty
