RF Wireless RGB Receiver with Touch Remote Controller

This RGB colour RF (Radio Frequency) receiver and touch remote control can be used with Integral RGB colour changing strips. With the RGB colour changing remote control, you can easily change your strip colour by choosing the colour area on the central touch circle or pressing the mode button for 11 colour modes, control the brightness and change the speed when choosing the dynamic light mode. An easy-to-follow installation guide can be downloaded from our website.

Product Details

Partcode: ILRC1224VCV3C3A

Check Code: 621774

Range Name: Strip Accessory

Product Type: Accessories

Warranty: 5 Years

CE / RoHS: Yes

Physical Data

Material: PCB, Plastic Shell

Product design and specification subject to change or modification without notice. Image for illustration only. E&OE

Physical Data

Weight (Unpackaged Single Unit): 89g

Electrical Data

Voltage Range: 12-24V

Driver included: No

Electric Current: DC

Dimming: Dimmable

LVD Certified: Yes

EN: EN-60950-1

Light Data

Product design and specification subject to change or modification without notice. Image for illustration only. E&OE

Environmental

Lowest Operating Temperature: -30 degrees

Maximum Operating Temperature: 55 degrees

Packaging

EAN Barcode (unit of 1): 5055788208129

Packaged Weight (Unit of 1): 135g

Length (unit of 1): 200mm

Width (unit of 1): 132mm

Depth (unit of 1): 22mm

Outer packaging info available on website
