Highlights

24k Gold-plated plug
Rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.

Bass Beat vents
Bass beat vents allow air movement for better sound with a deep rich bass.

Comfort ear cushions
The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

Pull Relief System
The Pull-Relief system reduces cable strain due to repeated bending and prolongs the life of the cable connection.

Reflective neckband
Special reflective material on the neckband helps keep you visible in the dark.

Single-sided cable
The cable is conveniently connected to just one side, considerably reducing the risk of tangling and simplifiying winding the cable up for storage.

Textile covered cable
The attractive textile covering resists tangling, is very long-lasting and extends the product life.
