PHILIPS

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Cool white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light. This light offers cool white light for optimal concentration.

On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.

Ultimate flexibility

Having a flexible head, this Philips and Star Wars desk light can safely be rotated in the desired direction and direct light where it is needed.
