Philips Genuine
replacement filter
Humidification wick

NanoCloud Technology

Up to 99% less bacteria
Up to 6 months lifetime

FY3435/30

Healthy air, always

NanoCloud Technology with hygienic humidification

The original Philips humidification wick perfectly fits your appliance to ensure consistently high performance. It uses NanoCloud Technology to emit nano-sized molecules of pure water vapour and humidify the air with up to 99% less bacteria.

Superior performance
- Perfect fit for consistently high performance
- Up to 99% less bacteria with NanoCloud technology(1)

Effortless control
- Follow the Smart filter status indicator on your device
- Connect with the device and monitor the filter lifetime

Seamless operation
- Philips filters ensure that your device works effectively
- Up to 6 months of usage

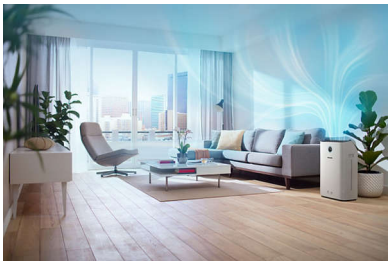

PHILIPS

Humidification wick
NanoCloud Technology Up to 99% less bacteria, Up to 6 months lifetime

FY3435/30

Highlights

The original Philips filter

Replacing the filter with the original Philips humidification wick ensures a consistently high and efficient performance of your air humidifier. It is designed specifically for the indicated device to make sure that it perfectly fits and allows the appliance to operate smoothly.

NanoCloud Technology

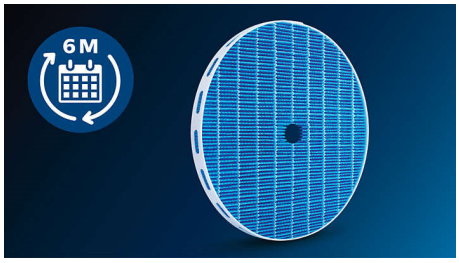

Unique NanoCloud Technology uses natural evaporation to emit pure water vapour. Due to its fine size, it is extremely difficult for bacteria or residue to attach to, humidifying the air with up to 99% less bacteria released than standard ultrasonic humidifiers (1).

Quality you can trust

Our filters go through a set of mandatory and strict inspection tests before releasing from the factory. They are subjected to rigorous life and durability tests, for continuous operation 24/7, to provide the best performance of your Philips humidifier until the last day of the filter's lifespan.

Long-lasting performance

This humidification wick provides consistent protection and guarantees optimal filtration for up to 6 months.

Effortless maintenance

Your Philips device notifies you when to clean or replace the humidification wick. This makes the maintenance of the appliance effortless while ensuring that you always enjoy comfortable, clean air.

Track filter lifetime

Monitor the lifetime and status of your filter anytime, anywhere with the CleanHome+ app. Get an alert when it's time to change your filter and easily order a replacement directly through the app.

Specifications

Country of origin
- Made in: China

Consumer Trade Item
- Height: 25.5
- Width: 25.5
- Length: 2.7
- Net Weight: 0.068
- Gross Weight: 0.19
- GTIN: 8710103833208
- Country of origin: CN
- Harmonized system code: 84219910

Outer Carton
- Height: 28.7
- Width: 15.5
- Length: 27.3
- Net Weight: 0.34
- Gross Weight: 1.385
- GTIN: 18710103833205

Weight and dimensions
- Product weight: 0.068 kg
- Dimension of packaging (L x W x H): 27*255*255 mm
- Weight incl. packaging: 0.19 kg
- Dimension of product (L x W x H): 245 *19 mm
- Colour(s): Blue

Performance
- Filter: Humidification Wick
- Bacteria filtration: Up to 99% less(1)

Compatibility
- Suitable for these models: AC3829

Issue date 2023-07-15
Version: 6.6.1
