With a glass jug, White blue

HD7448/70

Highlights

Water level indication

Fill the water tank easily and precisely with the water level indication.

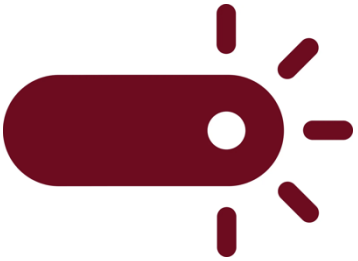

1.3 L for 10 - 15 cups

Drip stop

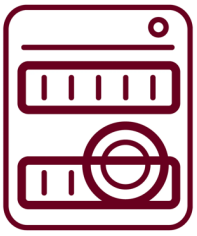

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

LED power switch

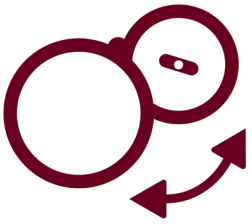

The red light on the switch button illuminates when the coffee maker is switched on.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

Swing filter holder

The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.
