HP All-in-One 24-e085na

Beautiful All-in-One design. Built to perform.

When it comes to quality and performance, the HP All-in-One PC has your family covered. Home to your favorite entertainment, this beautifully designed PC does more than help you stay connected, it exceeds expectations - from enjoying quality downtime to helping you to tackle all your daily needs with confidence.

Powered for your every day
With the latest processor from Intel® or AMD and plenty of storage space, browse the hottest content, stream your favorite series, and simplify home projects, all on a sensational FHD display[1] with touch on select models.[2]

Peace of mind you deserve
Rest assured, your All-in-One has been through rigorous quality testing for reliable, long-lasting value. And with the added comfort of a privacy camera switch, know your privacy is safeguarded.

Sensational design. Sensible approach.
Bringing home a modern look and feel, this All-in-One features an elevated display, adjustable tilt stand, and a touch of color along its finish. It's enough to brighten any room.

[1] Full high-definition (FHD) content required to view FHD images. [2] Optional touch screen sold separately.
