ENDURANCE JUMP

Waterproof Wireless Sport In-Ear Headphones

Features and Benefits

8 hours of wireless playback with Speed Charge battery
Bluetooth wireless allows you to stream high quality music through a full 8 hours without the worry of messy wires interfering with your workout. In just 10 minutes, you can power your headphones for an hour of use.

PowerHook™
Secure fit ear hook design, which automatically turns the power on/off when putting on or taking off the earphones.

Never hurt. Never fall out.
Thanks to TwistLock™ and FlexSoft™ technologies, these headphones are lightweight and ergonomically built to ensure comfort and stability no matter the workout.

Waterproof
Featuring IPX7, the JBL Endurance JUMP are designed to be used while swimming and in all weather conditions. Durable and made to last, no matter the elements.

Touch controls
Allows you to easily manage your music and calls controlling play, pause, volume and tracks order with a simple touch for extra convenience, so that you can keep going.

Hands-free calls
Bluetooth® technology enables hands-free calling, allowing you to focus on your workout.

Protective Pouch
Durable silicone carrying case.
