WorkForce DS-360W

It’s easy to scan anywhere with the fastest portable business scanner on the market[1], thanks to a built-in battery and wireless connectivity

Scan from anywhere with this portable scanner featuring a built-in battery and wireless connectivity. Combined with a lightweight and compact design, the DS-360W makes it simple to scan documents quickly and effectively while on the move. It can even be charged up on the go via USB. And with the fastest speeds on the market at 25ppm[1], it’s easy to keep on top of paperwork.

Mobile scanning made easy
The DS-360W provides a cable-free scanning solution with a built-in battery and wireless connectivity for scanning to mobiles, tablets and computers.

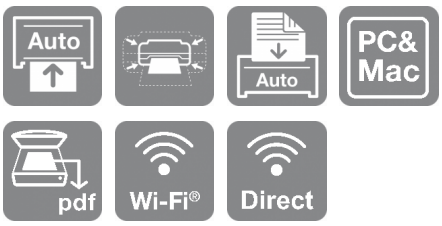

A portable solution
Scan and manage your paperwork on the go with the DS-360W. Its compact and lightweight design means that it’s ideal for carrying in a bag or even storing in a drawer. It can also be charged on the go via USB.

Highly versatile
Scan what you need, when you need it with the DS-360W. Capture documents at 300dpi in colour and monochrome with absolute ease. When it comes to media, it’s almost limitless with both single and double-sided scanning, the ability to handle card and paper between 52 and 230gsm, and a dedicated slot for capturing driving licences and ID cards.

Fastest on the market
Speed through paperwork with the fastest portable business scanner on the market with a scan speed of 25ppm[1] and 20-page automatic document feeder. With Super Speed USB 3.0 connectivity, transferring files is quick too. It’s also possible to control the scanner from your smartphone or tablet with the free Epson Scan app.

Manage your workflow
Integrate your scans into the businesses’ workflow with Document Capture Pro. The DS-360W offers many ‘scan-to’ functions alongside document imaging features such as barcode recognition and zonal OCR-A / B support.
