Sandberg Charge Kit AC+Car 1A

With this smart charger kit you can charge most mobile phones and many portable devices such as MP3 players. The kit will give you full flexibility as you will be able to charge in an ordinary wall socket, in your car or on your PC. Put the wall socket charger in your desk drawer, the car charger in your glove compartment and a USB cable with the matching adapter in your bag – then you will never run out of power.
