PHILIPS

AVENT

Conversion kit for breast pumps

SCF264/00

Easily adapts to breast pumps

Fits all Philips Avent breast pumps

The Philips Avent SCF264/00 conversion kit works with most manual and single or double electric breast pumps on the market

Benefits and features:

- Works with all Philips Avent baby bottles
- Easily adapts breast pumps to fit Philips Avent System

Highlights

Works with all of our bottles

Converters allow you to express directly into the Philips Avent Baby Bottles. Insert a sealing disc to store breast milk in the fridge or freezer. Simply replace sealing disc with a Philips Avent nipple for feeding - no need to transfer milk.

Easily adapts breast pumps to fit Avent System

This Philips Avent conversion kit works with most manual and single or double electric breast pumps on the market.
