We ♥ making your life easier with myPRO

The new Smart Professional laundry solution for small business: durable Washers, efficient Dryers and productive Finishing Equipment.

Save time and money: maximize your productivity while working in optimal conditions.

We perfectly know your needs. Save time and money is essential to work efficiently and in comfort.

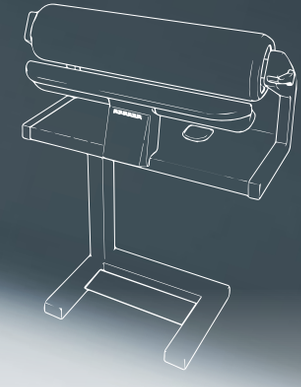

myPRO Steam Ironer knows your requests and simplifies your life:

- Save time ironing your fabrics in comfort, compared to ironing by hand
- Save space due to the foldable structure, optimal for small spaces and businesses
- More productivity thanks to the capacious water tank, the best the market can offer you

myPRO

myPRO is designed for small businesses that need laundry solutions stronger and faster than standard domestic appliances. Businesses that require durable Washers, efficient Dryers and productive Finishing Equipment, but have no need for an advanced professional solution.
myPRO is the Smart Professional solution that offers reliability, flexibility and superb quality results on a sensible budget.

Good reasons to choose myPRO

We ♥ offering you peace of mind based on a Professional heart and a Green soul

Top quality. High speed. Long life.
Durable construction built around your needs.

- The professional grade stainless steel worktop offers you a top quality solution, built to live longer[1]
- Save time[2] and dedicate more energy to your business and customers
- You can get the best result in less time: use steam during ironing to remove wrinkles

Full control for optimal performance.
Maximum level of operational control.

- 5 temperature settings and 3 steam settings: perfect results with every type of fabric
- Full control of roller speed, thanks to flexible foot pedal
- Less stress and long lasting steam production due to the high capacity water tank (1.9l)
- Compact due to foldable structure: you can put it wherever you want, optimizing your business space
- Mobile for great flexibility: easy to move around due to the wheels

Easy and intuitive to use.

- Always ready to use thanks to the plug-and-play solution
- User friendly interface: thanks to the intuitive icons and settings you can always choose the perfect program
- Fill water tank on the go[3]: save time by achieving maximum efficiency

Choose the model that meets your needs

IS185
