NGS GAMING PACK GBX-1500

GAMING BUNDLE KEYBOARD+MOUSE+ HEADPHONE

Bundle of mouse, keyboard and headphone for real players.

Mouse

Optical sensor wired mouse for computer games equipped with 6 buttons and 4 adjustable DPI levels 800/1200/1600/2400.
The mouse design offers an awesome seven color LED lighting system with non-stop color transition. Outstands for its ergonomic design, rubber coating on top for better grip and is suitable for ambidextrous.

Keyboard

Original wired gaming keyboard with metal cover. It includes 12 multimedia, internet and various daily use hotkeys for an easy and fast access to computer functionalities and other common functions: Music, Mail, Browser, ...

It incorporates a set of RGB lights that allows you to configure three different types of backlighting: green / pink / violet, navy blue / green / red, sky blue / yellow / fuchsia, as well as the option of not having any lighting.

The keyboard base includes two plastic legs to raise the height and obtain a comfortable position.

Headphone

Stereo gaming headphone with blue LED illumination for advanced players.

The flexible design allows adjusting the unidirectional microphone according to the user´s preferences.Includes a 2.2 m cord that will provide maximum mobility, durability and ergonomics during the game. It features a 3.5 mm audio jack output and microphone, USB connection for LED illuminating, as well as a built-in microphone at hand for quick, precise audio adjustments.They feature powerful bass and high-quality surround sound system.
