Mains 8 way gang socket, with switch

No.: 73105

Description

- Sockets rotated 45°
- Cable length about 1.4m
- Cable Material: H05VV-F 3G1.5mm²
- Operating & Storage Temperature: -4 to 40 ° C
- With child safety lock
- On/Off switch
- Colour: white

Due to the high temperature resistance of -4 ° C to + 40 ° C during operation, you can easily use the LINDY 8-way Schuko socket strip in non-climatic environments.

The 45 ° twisted bushes, including child safety, make these an ideal partner for home or professional working environments.

Note: For use in dry environments only!
