- Electronic shut-off when iron is left unattended
- Steam tip allows you to have steam in hard-to-reach areas
- Soft grip for lasting ironing comfort
- 150 g steam boost to remove stubborn creases easily

Highlights

Ionic DeepSteam

The ionisation process creates smaller steam particles that reach deeper into the fabric. This means that even the toughest creases are removed easily.

Up to 40 g/min of steam

The Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

SteamGlide soleplate

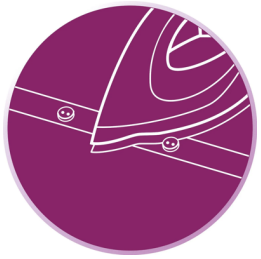

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Steam tip

The unique steam tip of this Philips iron combines the particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

Specifications

Comfortable ironing

Cord length: 3 m
