- Detachable water tank for easier filling
- 3m cord for longer reach

Refreshes clothes without washing or dry cleaning

- Continuous steam removes odors and kills 99.9%* of bacteria

PHILIPS

Handheld garment steamer
1000W, up to 20 g/min Vertical Steaming, 70ml Detachable water tank

GC351/26

Highlights

Continuous steam

An electric pump automatically provides continuous steam for easy and quick de-wrinkling.

Brush accessory

The brush attachement opens the fabric fibers and enables better steam pemetration. It is especially good for thicker garments like jackets and coats. It can also help remove dirts and pills.

Safe on all ironable fabrics

The steamer is safe to use on all ironable fabrics and garments. The steam plate can be safely pressed against any clothing with no risk of burning – a great solution for delicate fabrics, like silk.

No ironing board needed

Using a clothes steamer on hanging garments eliminates the need for an ironing board, so de-wrinkling is easy and hassle-free.

Ergonomic design

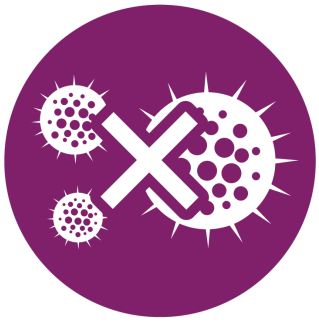

The handheld garment steamer is ergonomically designed to be light, compact and comfortable to use. Just press the trigger and watch wrinkles and creases disappear.

Detachable water tank

The water tank detaches for easy filling under the tap.

99.9% bacteria-free*

Hot steam refreshes your clothes and kills up to 99.9% of bacteria*. Less frequent washing and dry cleaning saves time and money, and helps clothes last longer.

3m cord

for longer reach
