Highlights

Keratin infusion

Keratin is the hair's essential ingredient which makes them strong, healthy and gorgeous looking. The ceramic is enriched with keratin to even better take care of your hair.

210°C styling temperature

This styling temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

Rapid heat-up

The straightener has a fast heat-up time, being ready to use in 60 seconds.

Cool Tip

The tip of the styler is made from a special heat insulating material to keep it cool. You can safely hold it while you're curling to create beautiful curls, waves and bouncy styles.

Swivel cord

The swivel cord technology conveniently rotates the cord and prevents unnecessary tangles.
