P10000 Power Bank

Sporting a modernistic mosaic pattern, the ADATA P10000 power bank has a design that is guaranteed to turn heads. It comes in your choice of six colors and has 10,000mAh of battery capacity to keep you powered on the go.

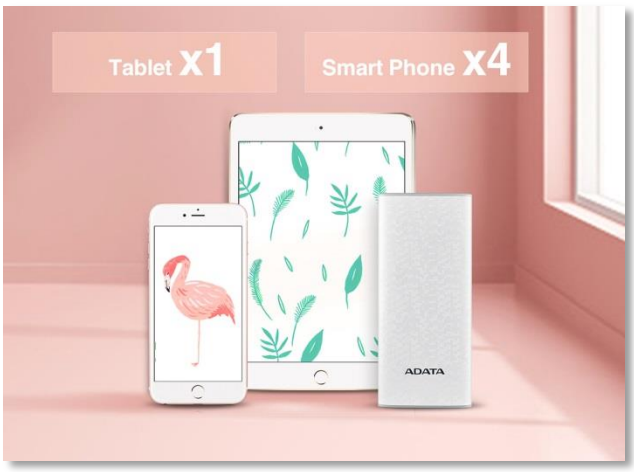

Modernistic Mosaic Pattern

The P10000 looks like no other power bank out there. You'll be mesmerized by how the mosaic pattern shimmers and changes as you rotate it in the light. For added safety, the casing is made from fire-retardant material.

Power Through Your Day

With 10,000mAh of capacity, the P10000 can charge a tablet from empty to full, or a smartphone up to four times over. So get out there and power through your day without worry!

Recharges Faster

Recharge it and get going! The P10000 accepts 2A input, which means it recharges at twice the speed of power banks that only take 1A input.

Exceptionally Safe

The P10000 is equipped with high-quality batteries and circuit designs that ensure it doesn't over-charge or over-discharge. They not only make things safe but also prevent damage for a longer product lifespan.

Features

- High-quality Li-Ion battery with 10000mAh capacity
- Comes in six colors
- Modernistic mosaic pattern
- Dual USB ports with total of 3A output
- High-quality circuit designs
- Multiple safety mechanisms prevent over-discharging, over-charging, short-circuiting, over-voltage, over-current

Specifications

- Capacity: 10000mAh
- Battery: Li-ion
- Color: White / Black / Green / Gray / Pink / Blue
- Dimensions: 137.0 x 61.2 x 22.0mm / 5.4 x 2.4 x 0.8"
- Weight: 290g / 8.8oz
- Input: DC 5V / 2.0A
- Output 1&2: DC 5V / 2.1A max.
- Warranty: 1-year
