

SPREMÌ

Model: 0408/00
Code: 00C040800AR0
EAN: 8003705108639

The new Spremì is an elegant, refined citrus press with double reamer, fins to press the pulp and a spout for pouring the juice. The dust cover and cord winder, which is built into the base, make this appliance even easier to store. And thanks to its alternate rotary movement, it is able to prepare juice perfectly, quickly and down to the last drop, all straight in the glass. With Spremì breakfast can become a time for pure pleasure. Double reamer and pulp fins for excellent orange, lemon and grapefruit juices, down to the very last drop. Integrated cord winder for easy storage. Dust cover to guarantee protection against dust and dirt between uses.
