Model: 0572/00
Code: 00C057200AR0
EAN: 8003705116801

Drink 'n go vacuum is the new Ablender ideal for preparing vitamin smoothies to take with you throughout the day, wherever you are. It combines the vacuum function to the practical function "prepare and bring with you" the product, guaranteed by the two BPA free bottles equipped with a take away cap. By pressing a single button, it will be possible to remove the air from the bottle in order to slow down the oxidation process and therefore to preserve the flavor of the beverage for longer. With the four stainless steel blades you can also chop the ice to make excellent cocktails.
