

Thule Revolve Global Carry-on 55cm/22"

TRGC122

This hardside global carry-on is impact resistant and easily navigates over any terrain.

1. Effortless navigation from the very first step with a telescoping handle that minimizes sway and efficiently transfers power to the wheels
2. Made in Europe, this lightweight, stylish and impact-resistant luggage is comprised of 100% virgin polycarbonate
3. Designed to last with internal corner protectors, a rigid frame and a reinforcing front panel for added protection
4. Contents stay secure during travel with TSA locks and a puncture-resistant zipper backed by a solid inner frame
5. Easily navigate from doorstep to destination with oversized rear wheels that easily glide over rough terrain and smaller, recessed front wheels that increase interior space
6. Maximize packing space and enjoy a quiet roll with a felt liner that contours the case and absorbs vibrations in transit
7. Personal information remains concealed with integrated ID slot that retracts into the back of the case
8. Belongings are held securely in place with adjustable, internal compression system
9. Integrated feet allow the bag to rest on its side without tipping
