FSS62800P Dishwasher

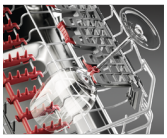

Lifts gentle to a new level

The new unique AEG Comfortlift dishwasher is the first dishwasher in the world that lets you gently slide and lift the lower basket upwards. Your gleaming dishes and cookware are gently brought up to a convenient working height. Allowing you to unload

Easily load and unload all utensils

This dishwasher's spacious, removable cutlery tray makes loading, washing and unloading your cutlery and utensils easier than ever before. Specially designed to offer optimal space and functionality, it has capacity for up to 13 cutlery settings, as well as

Superior Cleaning and best glass care

Your delicate glasses can not be cleaned in a safer way thanks to AEG SoftGrip and SoftSpikes which perfectly holds your glasses, protecting them from getting damaged.
