NGS BT HEADPHONE ARTICA PRIDE BLACK

BLUETOOTH HEADPHONE HANDS FREE-7 HOURS BATTERY

An elegant stereo wireless headphone with Bluetooth technology. Take total control of your music playback and enjoy phone calls with its built-in hands-free function. NGS Artica Pride offers high sound quality and an exclusive design.

Feel the freedom of listening to music wireless thanks to the original circumaural headsets NGS Artica Pride. Easy to pair with your favorite device, users can enjoy **up to 7 hours of uninterrupted music** at a maximum distance of 10 meters.

Thanks to its A2DP technology, it will allow you to operate the media player directly with the headset button, being able to pause or activate playback and turn the device on / off. Furthermore, due to the AVRCP profile, if you are using the phone and you get a call the music stops, and you can answer it without removing the phone from the pocket (thanks to the **incorporated microphone**).

It is equipped with a **micro-USB connection** to recharge the 180 mAh battery.

NGS Artica Pride outstands for its **sound quality thanks to its 32 Ohm impedance** and 20 Hz - 20 KHz frequency response.

Finally, you will obtain **maximum comfort thanks to its adjustable headband and cushioned ear pads** specially designed to enjoy long sessions of your favorite music.
