WMF Lono Snack master

Sweet or savoury snacks in a flash

Fast, fresh and delicious: With the WMF Lono Snack Master, waffles and toasted sandwiches are easy to prepare. And to ensure that everything is really safe and simple, an LED control lamp shows when the appliance is ready to use. The package includes two non-stick, scratch-proof, dishwasher-safe cast aluminium pans for waffles and toasted sandwiches. Thanks to the thermal insulation and a built-in fan, the GS-certified casing made of high-quality Cromargan® can be touched without any problem during operation (WMF Safety Touch). The integrated cable winder enables the appliance to be stored upright in a space-saving manner.
