mophie

juice pack access™

Compact, protective battery case with full access to Lightning port.
Compatible with for iPhone Xs, iPhone Xs Max, iPhone Xr, and iPhone X.

UNIVERSAL WIRELESS CHARGING | UP TO 31 HOURS OF BATTERY*

EXTRA BATTERY
Rechargeable battery case provides up to 31 total hours of talk time with the push of a button.*

WIRELESS INPUT / OUTPUT
With Priority+® charging, wireless power will be sent to the iPhone first before recharging the juice pack.

FULL ACCESS TO LIGHTNING PORT
Use your wired EarPods or headphones to listen and talk while you charge at the same time.

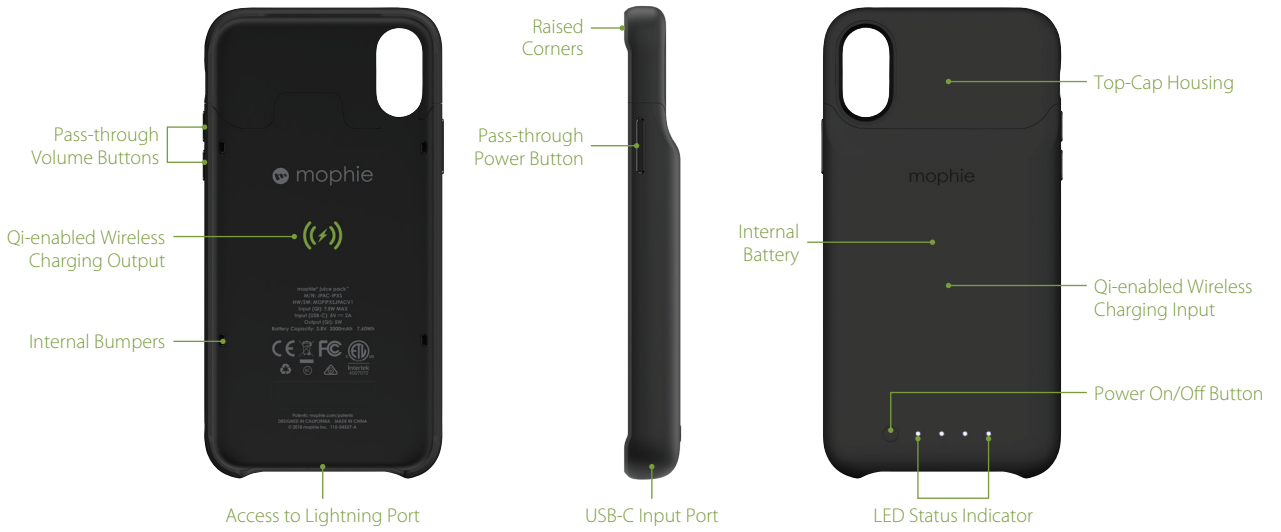

COMPACT DESIGN
The compact design feels great in your hand and provides superior, edge-to-edge protection.

Key Selling Points

- The juice pack access battery delivers enough power to extend the life of your iPhone up to a total of 31 hours.
- The intelligent design gives you full access to the Lightning port on your iPhone, so you can use your EarPods or headphones to listen and talk while you charge.
- The juice pack access battery case works with any mophie® charge stream™ wireless accessory.
- This compact case is so comfortable in your hand, you'll forget it has a built-in battery.
- Recharge the juice pack access battery case wirelessly or use the USB-C port.
- With Priority+® pass-through charging, power is directed to the iPhone first, before the juice pack access recharges itself.
- The juice pack access battery case can be wirelessly charged independent of the iPhone.
- The LED status indicator button lets you check the battery level and turn the juice pack access battery case on and off.

Compatible with all mophie wireless accessories.
