Gentle on your eyes
The anti-glare baffle avoid the direct glare to your eyes, allowing you to have a comfortable reading experience.

Child Safe
Adherence to European child-appeal safety regulations

Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
