Highlights

Dimmable
Experience smooth and effortless dimming with Philips Hue White luminaire. Adjust to your prefered light intensity to suit your needs.

Apple HomeKit compatible
Philips Hue White luminaire is compatible with Apple HomeKit technology. Ask Siri to turn on or dim your lights or recall presets without touching a single button. Via third party apps you can even link your lights to other Apple HomeKit enabled devices.

Easy control and convenience
Connect your Philips Hue lights with the bridge and start discovering the endless possibilites. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience.

Light schedules for home autom
Philips Hue can make it seem like you're home when you're not, using the schedule function in the Philips Hue app. Set the lights to come on at a pre-set time, so the lights are on when you arrive home. You can even set rooms to light up at different times. And of course, you can let the lights turn off gradually in the night, so you never have to worry whether you've left any lights on.

Soft and uniform distribution
Soft and with uniform light distribution, Philips Hue White luminaires provides illuminance to every nooks of your home space with greater visual comfort.
